#### EXPLANATORY NOTE

Because of increased costs of compilation and printing and because of the growth in personnel in the Foreign Service, it has been necessary to make revisions in the classes of personnel listed in the Foreign Service List.

Beginning with this issue, dated October 1, 1951, the List will include the following: all chiefs of mission; all Foreign Service officers; all Foreign Service Reserve officers; all Foreign Service Staff officers of class nine and above; all Technical Cooperation Administration officers of class nine and above; and certain Foreign Service Staff officers of classes ten, eleven, and twelve only when assigned to posts with a complement of one, two, and/or three officers.

The January issue of the List includes the sections showing the posts of assignment, the consular districts, the tariff of Foreign Service fees, the index of persons, and the geographic index.

The April, July, and October issues include only the posts of assignment and the two indexes.

Only those actions received in the Division of Publications prior to the fifteenth of the month preceding the month in which this List is dated are included. This List is compiled and edited by the General Editing Branch, Division of Publications. Please report to that Branch any necessary corrections.
